**Dorge Jean Baptiste**

Director of Dining  
Services,  
Tamarisk Northshore

Dorge Jean Baptiste was born in Haiti and came to the United States at age 11, settling with his family in West Palm Beach, Florida. His work as a busboy at a Brookdale Senior Living community marked the start of a brilliant career in the hospitality industry. From his humble beginnings, Dorge worked his way up to waiter, then dining room supervisor. Not surprisingly, his great talent was noticed, and he was chosen for an 18-month management internship during which he traveled across the country and was trained, mentored, and worked under the tutelage of various Executive Chefs, Dining Services Directors and Corporate Executives. After completion of the 18-month internship, Dorge was promoted up the ranks. He most recently served as Director of Dining Services at a senior community in Lake Bluff before coming to Tamarisk.
