Eric Trapp
Regional Director of
Dining Service,
Senior Lifestyle

My name is Eric Trapp and I am a Regional Director of Dining Service with Senior Lifestyle. I began my Hospitality career while studying Hospitality Management at Howard University in Washington, DC. After graduation in 1990, I worked as a Food and Beverage Director in contract services and with several catering companies. Although I enjoyed the experience of making memorable experiences for catering clients, I wanted to take my passion for cooking and service in a different direction. This led me to Senior Housing in 2003, where I immediately fell in love with residents and the idea of making a difference in their lives every day. I have been with the Senior Lifestyle for 2 ½ years. In my current role, I am responsible for providing dining support for all new development communities, which includes kitchen design, food and supply initial purchases and dining management/line staff recruitment and training. Beyond new developments, I also am responsible for conducting dining training for all new community leadership.
