Kathleen Alcorn
Founder & Technical
Director
Atolletc LLC

A federal lobbyist and consultant guiding industries, private entities, and governments, Kathleen specializes in emerging technologies. Additional subject matter expertise includes disruptive markets, and smart city futures. Kathleen is an advocate of Blockchain technology, specifically to protect the safety and soundness of the public. She is the founding Team Member & Director of think tank Public Affairs at the Center for Infrastructure and Society. She is also on the advisory board of the Government Blockchain Association – AFRICA. The advisory board works directly with the head of GBA Africa on STE/A/M initiatives to bring educational resources to underserved areas. The Government Blockchain Association is a Global Entity to Assist Local and State Governments in the Education Of and Transition Into Blockchain Usage Including Use in Banking, Licensing, Data and Smart Cities.
